Re: **Bartlebaugh v. City of Camden, et al.**
Civil No. 05-121 (RMB)

Dear Counsel:

I ask that you make some revisions to the latest draft of the Joint Final Pretrial Order. [Doc. No. 112]. Defendant Feliciano should re-examine his objections listed on p. 14. It appears that plaintiff did not list any expert witnesses and Dr. Abrams is not a listed witness. Defendant Feliciano also must summarize the trial testimony of its witnesses and not merely indicate that the testimony will be consistent with deposition testimony. Summaries also need to be provided for the records custodians (g, h and i) and a specific physician/nurse must be identified from Virtua with a summary of the proposed testimony. As to P-3, plaintiff shall produce her sketch to defendants at least two (2) weeks before the scheduled trial date.

The revised pretrial order shall be served no later than August 22, 2008.
